Project
Removing Blemishes

February 2019

Project - Removing Blemishes

For this project, you will be removing blemishes (pimples, beauty marks) from a photo.

You can use a photo you already have or take a new one.

You must include "before" and "after" photos, as well as the tools used and steps taking.

Include at least 2 "in progress" photos showing your work.

Use the Healing Tool and Stamp Tools.
