“About Me” Website

February 2019

Project - About Me

Design a website that displays information and pictures about yourself.

You should include:

- at least one list (ordered or unordered)
- at least one table
- at least one page with a background image

The website should be easy to navigate. You should be able to get to any page from any page.

The marking sheet for this assignment can be found on the following page. Make sure you look it over carefully before getting your assignment marked.

Suggested Format:

NOTE

Never give out personal information on the internet.

If you are uncomfortable with giving out personal information, please feel free to "make-up" the information.

Introduction

Your name, age, picture, etc.
Name this file: index.html

My Portfolio

Include examples from your digital portfolio.
Name this file: portfolio.html

My Travels

Include places you have been (or want to go).
Include photos, maps and travel stories.
Name this file: travels.html

My Hobbies

Include sports teams, clubs, interests, etc.
Include related images.
Name this file: hobbies.html

My Artwork

Include poems, computer art work, etc.
Name this file: artwork.html

My School

Include class schedule (table format), teachers, etc.
Name this file: school.html

My Links

Links to your favorite websites.
Name this file: links.html

“About Me” Website

Learning Outcomes

Communication Technology Skills

B2. apply a design process or other problem-solving processes or strategies to meet a range of challenges in communications technology;
B3. create productions that demonstrate competence in the application of creative and technical skills and incorporate current standards, processes, formats, and technologies.

Academic Honesty

The work I am submitting is completely my own creation and has not been copied from anyone else's work. If I have received help on this project, the names of those who have assisted are listed on the back of this sheet.

Signature

1 2 3 4

Layout

- The format of each page is consistent with the others
- The project is logically divided into sub-pages
- The information on each page is laid out in an attractive and efficient manner

1 2 3 4

Text

- The text is easy to read
- Appropriate font, sizes, colors and effects have been used
- Spelling and grammar are correct
- Text is laid out effectively in paragraphs or lists
- Line spacing is used effectively

1 2 3 4

Navigation

- Website can easily be navigated
- There are no broken links
- Links are appropriately labeled
- Link colors and/or effects are esthetically pleasing
- Graphical links have border="0"

1 2 3 4

Graphics and Color

- Each page contains at least one image
- There are no broken images
- Image sizes are appropriate (relative to the rest of the page layout)
- Image background color is the same as the page background color
- Appropriate background colors or graphics have been selected

1 2 3 4

Required Features

- A List (bulleted or numbered) is used
- A Table is used
- Special characters are used when required (ie. © instead of (C))

Level 1 - Limited ability to meet standard and limited effectiveness
Level 2 - Some ability demonstrated and moderately effective
Level 3 - Considerable ability demonstrated, considerable clarity or accuracy
Level 4 - Thorough, high degree of skill demonstrated, insightful, highly accurate

Level
